OFFICE ORDER

New guidelines have been formulated for all post graduate students of university in order to become eligible for final year PG examination. These guidelines have been framed on approval by Honorable Vice Chancellor of the university. All HOD of respective departments are instructed to follow the guidelines strictly and notify all the PG students appearing in final year examination well before in advance.

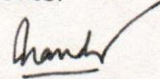

University guidelines for PG students regarding eligibility criteria for appearing in final year PG examination based on NMC guidelines are as follows:

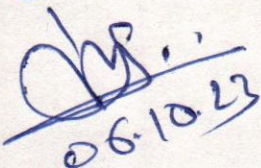

1. A post graduate student of a post graduate course in broad specialties / super specialties would be required to present one poster presentation, to read one paper at a national / state conference.
2. To present one research paper (other than thesis) which should be published / accepted for publication during the period of his/her post graduate studies so as to make him / her eligible to appear in the post graduate degree examination.
3. The PG students are required compulsorily to publish the research article (other than thesis) in peer reviewed journals (Pub Med, Scopus, SCI, Web of Science, Embase) to become eligible for final year examination.
4. The PG students are required to publish a research article about their departmental thesis preferably within three months after appearing in the final year examination, in peer reviewed journal (Pub Med, Scopus, SCI, Web of Science, Embase)
5. The PG students are also required to submit an affidavit mentioning the affiliation of UPUMS while publishing the research article based on their thesis even after clearing the final year examination. The student is also required to take approval from their supervisor for publication.
