Office Order

The Faculty of Medicine is organizing Clinical Grand Round (CGR) every Saturday of the week to present various research activities done by the various departments. But general public is unaware about the outcomes of the research findings which are discussed during CGR. So for awareness and interest of general public following guidelines should be followed by concerned departments -

1. All the departments of Faculty of Medicine may be instructed to prepare an abstract of the topic and share it at least one week in advance to Mr. Anil Kumar Pandey (PRO).
2. The PRO shall prepare a press note and to get approval from the Dean (Faculty of Medicine) through the respective HOD.
3. PRO should also ensure to publish the press note in various newspapers within three days of the CGR.
4. The concern department's HOD shall be instructed to provide Photograph of the CGR within one hour after CGR presentation to the PRO for the purpose.
5. Record of the events (CGR) including above abstract and photograph shall be uploaded on University website by event committee.

Above office order is issuing after approval of competent authority.

(Prof.(Dr.) Adesh Kumar)
Dean, Medical Faculty
