Officer Order

All HOD's, Faculty Members & MBBS Students 2022 Batch onwards are directed to refer to the SOP/Guide of our University regarding ICMR-Short term funded research projects (ICMR-STs), which is available on the website of the university and also shared on the Email-ID of All HOD's. As per the decisions taken by the committee:-

1. Each MBBS Student from 2022 Batch onwards should apply for at least 01 ICMR Short Term Funded Research Project (ICMR-STs) in his/her entire academic session.
2. MBBS Students should also be encouraged to publish their short term research of ICMR in NMC approved indexed medical journals with the help of their guides after the completion of the research project and submission of report to ICMR.
3. The above mentioned ICMR-STs research proposals should be directly send to Institutional Ethics Committee (IEC) for approval after recommendation of Departmental Research Committee (DRC). These research proposals do not require presentation before Institutional Research Committee (IRC).

As of now to support ICMR-STs project ICMR is awarding- Rs. 25000/- month for two months (Total Rs. 50,000/-) to U.G. Students for the approved projects after successful completion.

Information regarding approval, completion and publication of ICMR-STs projects has to be submitted to the Dean (Medical) Office and Research Cell.

(Dr. Adesh Kumar)
Dean (Medical)

Copy to:
