Medical Sciences University)

&

**Resilient Foundation For Academic Innovation
& Scientific Research, New Delhi**

(Registered with NITI Aayog, Govt. of India)

ONE WEEK ONLINE TRAINING COURSE ON BIOETHICS & GOOD CLINICAL PRACTICES (GCP)

ABOUT UTTAR PRADESH UNIVERSITY OF MEDICAL SCIENCES:

The Uttar Pradesh University of Medical Sciences, is a medical college, hospital, and medical research institution in Saifai, Etawah, U.P., India., running with full-fledged Medical College, Dental College (postgraduate), Paramedical College, Nursing College, Pharmacy College, Multi-Specialty 850 bedded hospital, 150 bedded trauma and burn center and 500 bedded Super Specialty hospital. The Medical University is transforming in order to support clinical research and offer better patient care.

ABOUT DEPARTMENT OF HEALTH RESEARCH- MULTIDISCIPLINARY RESEARCH UNIT:

Established under aegis of DHR, MoHFW, Govt. of India at Uttar Pradesh University of Medical Sciences, Saifai, Etawah (206130). The Unit is to perform cutting-edge research in the field of health sciences, with a special emphasis on patient care in non-communicable diseases, and provide a central instrumentation facility and research environment for faculties and SR/JR PG students to choose and carry out their top research priorities on their own premises.

ONE WEEK ONLINE TRAINING COURSE ON BIOETHICS & GOOD CLINICAL PRACTICES (GCP)

ABOUT RESILIENT FOUNDATION :

Resilient Foundation for Academic Innovation & Scientific Research, New Delhi is a not-for-profit organization registered under section 8 of the companies' act 2013, India. The organization is established having primary aim to promote academic & research activities through knowledge sharing, innovation, skill development and capacity building in various sectors like academia, industry and government for betterment of society. For more details please visit <https://theresilientfoundation.org/>

ABOUT THE TRAINING COURSE:

Good Clinical Practices (GCP) refer to a set of ethical and scientific quality standards for designing, recording and reporting trials that involve the participation of human subjects. GCP guidelines define the responsibilities of sponsors, investigators, and ethics committees in conducting clinical research. These guidelines are essential to maintaining the rights, safety, and well-being of clinical trial participants and ensuring the validity and reliability of clinical trial data. Everyone involved in the conduct of clinical research must be competent to perform their tasks, qualified by education, training and experience. This training course will cover all aspects of GCP guidelines and ethical issues in conducting clinical research.

ONE WEEK ONLINE TRAINING COURSE ON BIOETHICS & GOOD CLINICAL PRACTICES (GCP)

OBJECTIVE OF THE TRAINING COURSE:

An understanding of GCP is prerequisite for anyone carrying out, or involved in, clinical research and clinical trials.

Members of ethics committees, institutional review boards (IRBs), or research ethics boards (REBs) who review and approve clinical trial protocols should have a solid understanding of GCP principles. GCP training helps them evaluate the ethical aspects of proposed trials, ensuring participant rights, safety, and welfare.

WHY THIS TRAINING COURSE IS IMPORTANT FOR YOU?

- GCP training course is now essential for all PG students and teaching faculties as per recent NMC Guidelines.
- ICMR guideline also states that the members of IRB and Independent Ethics Committee (IEC) should have GCP training.

THE EXPECTED OUTCOME OF THE TRAINING COURSE:

- Empower clinicians and researchers about basics of GCP and aware about current regulation and guidelines in India for Clinical Trials
- understand the key components of GCP including informed consent research protocol
- ensure the data management and quality assurance policies and practices involved in clinical research

PROGRAM SCHEDULE

TIMING: 06:30PM-08:00PM

Day	Topics
Day 1 22 August, 2025	• Introduction to GCP • Guidelines in India and WHO GCP • Consequences of GCP non-compliance
Day 2 23 August, 2025	Roles and Responsibilities: • Sponsor, Investigator and Ethics committee • Informed Consent process
Day 3 24 August, 2025	• Development of Research protocol
Day 4 25 August, 2025	• Confidentiality and Privacy • Documentation and Record Keening
Day 5 26 August, 2025	• Role of Bioethics in Research
Day 6 27 August, 2025	• Safety and Adverse Events, Monitoring of clinical trial participants
Day 7 28 August, 2025	• Role of Regulatory Bodies

METHODOLOGY

- ◆ Online live classes by eminent experts from reputed organizations of the country
- ◆ Participatory discussion with Q&A
- ◆ Demonstrations
- ◆ Recordings of the all sessions will be provided to all registered participants

NATURE OF PARTICIPANTS

The participants will be MBBS/MD/MS Doctors, Nurses, Clinical research coordinators, Pharmacists, Allied health professionals, Ethics Committee Members or any one working in the area of clinical research.

DURATION & TIME

One Week (22 -28 August, 2025)

Timing : 06:30 PM To 08:00 PM

REGISTRATION PROCESS:

Registration Fee for all Participants = **Rs. 600/-**

Registration Link
