## CIRCULAR

Subject: Announcement of Photographic and Documentary Competition.

**Theme: "Exploring the UPUMS: Through the Lens"**

**Dear Students,**

I am delighted to announce a unique and exciting opportunity for all the talented students of the UPUMS for the Photographic and Documentary Competition. This competition is set to capture and shoot the essence of our University through the lens of creativity and vision.

This competition aims to showcase the diverse and dynamic talent of our beloved students apart from their medical knowledge. We encourage participants to capture moments that highlight the beauty, facilities and infrastructure of our University. Through this visual journey, we hope to celebrate the spirit of our University and foster a deeper appreciation for the work we do.
