- Creative campaigns

AWARENESS DRIVES

Informative Lectures

Electoral Literacy Clubs play a vital role in fostering an informed and active electorate. By providing education on the electoral process, promoting voter participation, and instilling democratic values, ELCs help ensure that citizens are well-equipped to contribute to the democratic process effectively.

Poster presentation by students

Participation of Higher Officials in Election Training

Staff and Faculty Participation in election Duty

Faculty members of university are assigned for election duty for various types of elections.

Their responsibilities includes

- **Election Preparation:** Helping with the setup and organization of polling stations, including ensuring that all necessary materials are available .
- **Voter Assistance:** Assisting voters with the process, such as helping them understand where and how to vote.
- **Election Monitoring:** Overseeing the election process to ensure it runs smoothly and fairly, including managing any issues that arise.
- **Counting Votes:** Participating in or overseeing the counting of votes to ensure accuracy and integrity.
- **Reporting:** Ensuring that all election materials and results are reported correctly and in a timely manner . These duties aim to support the democratic process and ensure that elections are conducted fairly and efficiently.

Registration of New voter for Students in University

Assist new voters with registration

Provide guidance on filling out forms accurately
