REPORT ON NATIONAL cGMP DAY

The National Current Good Manufacturing Practice (cGMP) Day was celebrated on 10th October 2023 in Faculty of Pharmacy, Uttar Pradesh University of Medical Sciences Saifai. It was the first ever National event on current Good Manufacturing Practice day. On this occasion, Dean, Faculty members and students of all batches were present. Many words of wisdom by dean and faculty members were said to the students. On this occasion Dean Prof Kamla Pathak said that the GMP rules are the backbone of pharmaceutical manufacturing operations which help the manufacturers to prevent non compliance. She explained to the students "why cGMP is necessary" for pharmaceutical operations with many examples. She advanced her talk by enlightening "who regulates GMP in India" and "who issues GMP certificate". She also advised the students to improve technical skills related to Pharmacy to meet the expectations of Pharmaceutical Industry.

In the continuation of the talk faculty member Dr Padmini Shukla told the students about the importance and implementation of GMP in Ayurvedic Industries in the form of schedule T. Another faculty member Mr Ashish S Mishra informed about the importance of 5M's formula for running of any pharmaceutical industry.

The talk was delivered in two sessions. First session (from 10AM to 11AM) was for IVth year students and second session was for Ist, IInd and IIIrd year students. The students listened the words cautiously. Students also enquired about their doubts on GMP and cGMP. Nearly 114 students participated in the event.

In the end part of event Dean and faculty members motivated the students for their good future.

15th Dec 2023, 02:00 PM to 05:00 PM

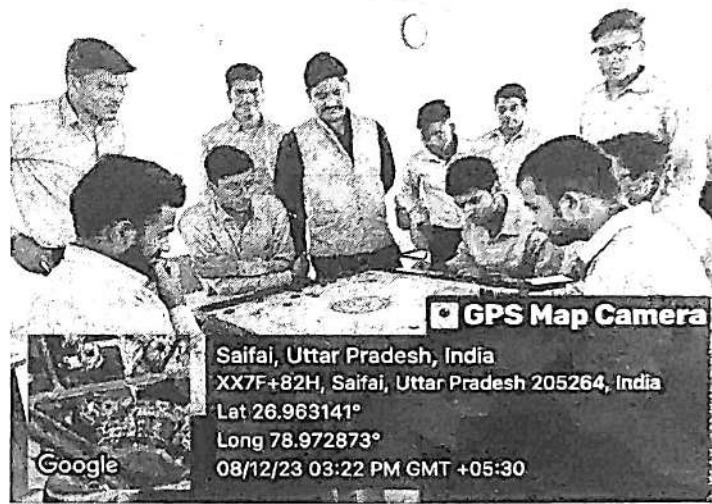

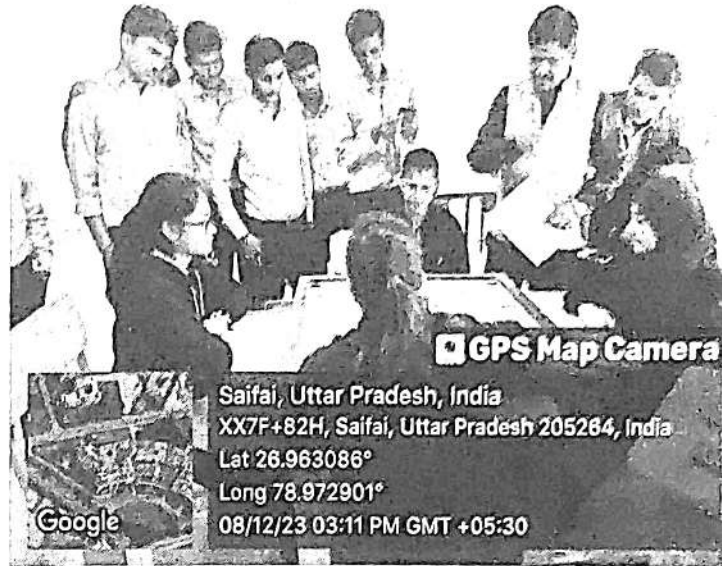

Place of event: Room number- 417, Faculty of Pharmacy, UPUMS, Saifai, Etawah

Number of participants: 40

Carrom competition was held on the 08th and 15th of December 2023. This event is well organized by the Sports committee of Faculty of Pharmacy as Mr. Mudit Kumar and Mr. Vikash Chandra under the sport activities. The event started at 2:00 PM on 8th of December with a total of 40 contestants taking part in the competition. The contestants were split into 10 groups. The matches up to the quarter final were knock out matches. Being a knockout competition, losing a game would see them out of the competition. However, it was noticed that all the participants took careful moves while playing. Each participant in the tournament was equally strong. A platform was provided to participants and they utilized it to their fullest. First day ended with FOUR participants qualifying for Semi-finals.

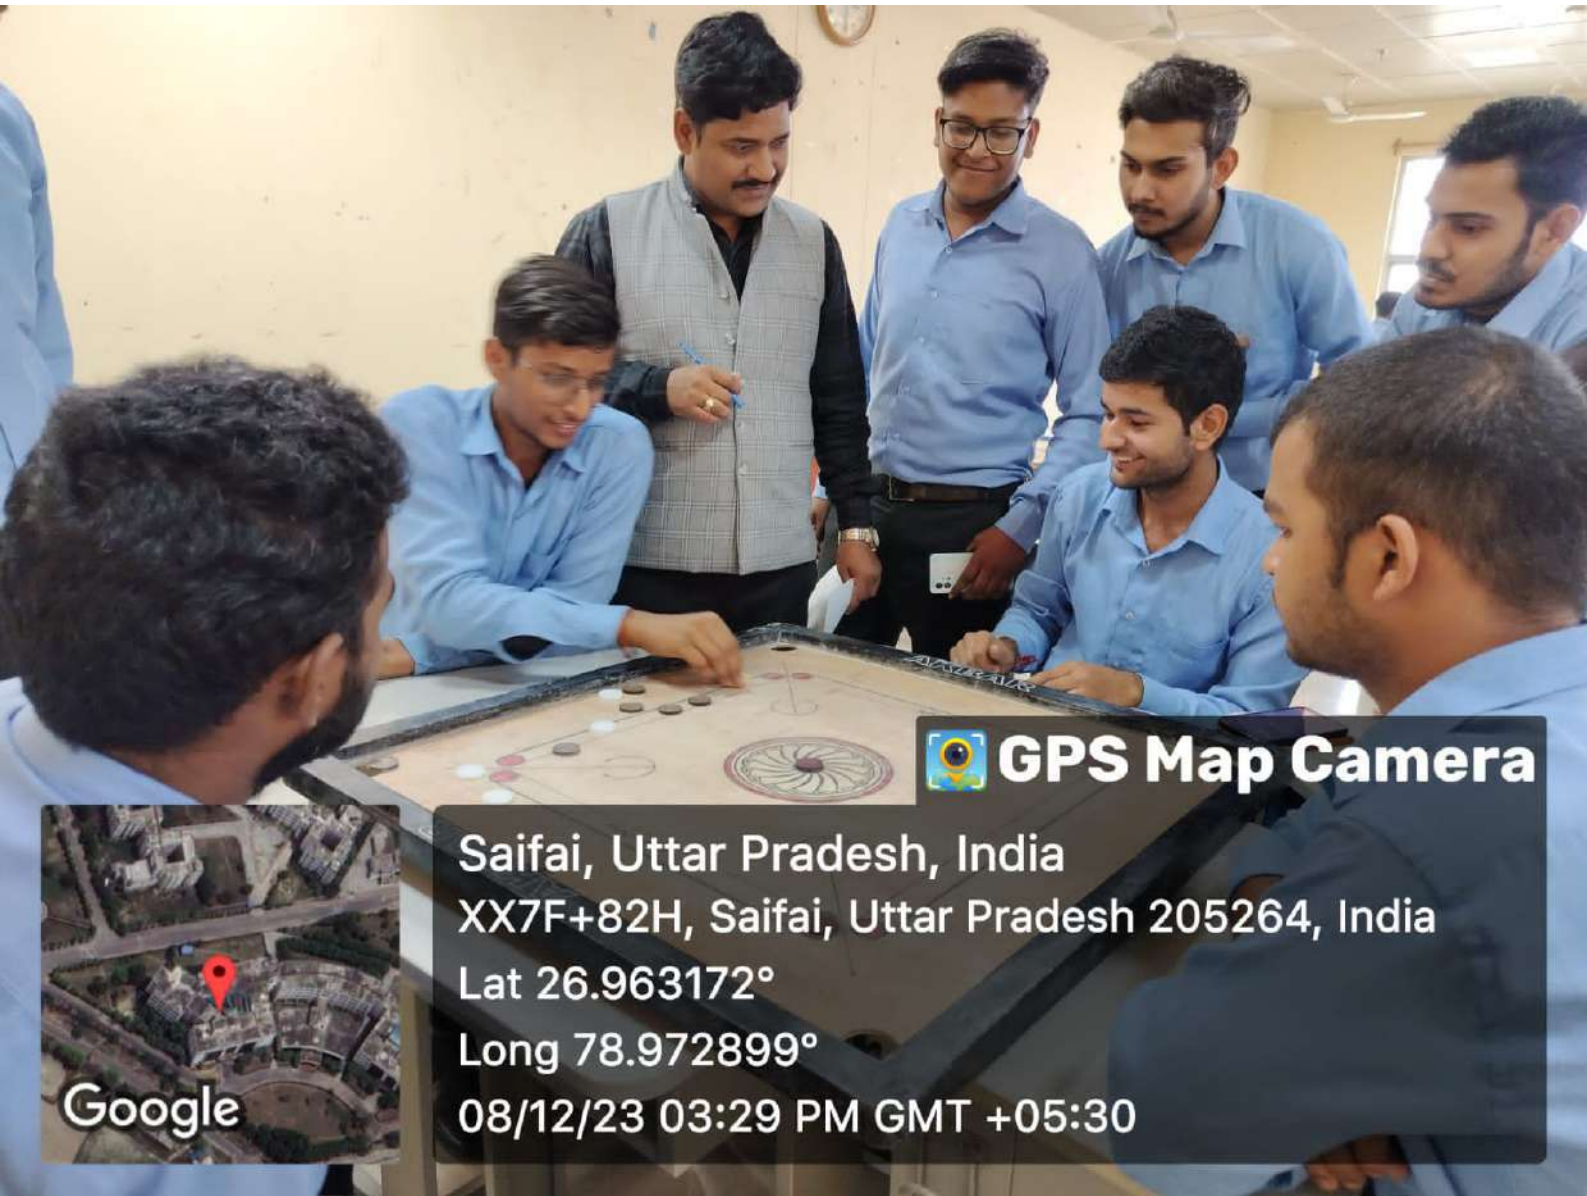

On 15th December the top four qualified players gave their best to win the game. The energy in the game kept increasing as the day went on. Finally on 15th of December, after a tough competition, the results were known with Mr. Anup Singh (B. Pharm VII Sem) won the carrom competition-2023 and Mr. Ravi Rathore (B. Pharm VII Sem) was the runner up.

The Dean, Faculty of Pharmacy Prof. (Dr.) Kamla Pathak congratulated the winner and runner up of the carrom competition-2023 and also encouraged other participants for their active participation in the tournament .
